

# REMEMBERING YOUR SACRED SONG

## Ritual Mask Making Retreat

*In beautiful Malinska on the Island of Krk, Croatia*

Wednesday October 10<sup>th</sup> – Sunday October 14<sup>th</sup>

*With your Mythic and Real-World Guides Tatjana Popov and Jane Greis*

Join us on the beautiful Island of Krk where the mythic landscape of Croatia welcomes us for four days of creative depth work, nature connection, and self care.

A magical traditional fairytale, reimagined by the celebrated Croatian writer Ivana Brlic Mazuranic, will guide our inquiry. Our centerpiece will be a deep dive into ritual mask making. Through this profound creative process we will awaken and embody deep wisdom and healing in sacred community.

*What new soul aspect is longing to come forward,*

*to be embraced and danced?*

*What sacred song is longing to be remembered?*
